River Valley Metro Welcomes a New Board Member

Bourbonnais, IL – Monday, September 14, 2009

River Valley Metro is pleased to welcome Carole Franke, RN to the Board of Trustees of Metro. Franke was appointed to the Board by Mayor Nina Epstein and will represent the City of Kankakee.

Chairman David Hinderliter stated “Carole’s background and experience will be invaluable to the Board. Her commitment to the community in her professional life and volunteer capacity is a great asset and we are pleased to have her part of our team.”

Franke noted, “I am thrilled to be part of the Metro Board of Trustees and I am looking forward to learning more about public transportation and being a part of making our public transportation system bigger and better.”

The Board of Trustees develops the vision for River Valley Metro and determines the long range plans for Metro. Managing Director, Robert Hoffmann commented, “River Valley Metro has a Board of Trustees from the seven municipalities we serve. The success of Metro can be attributed to the commitment of the Board and their ability to work together for the benefit of the entire transportation system, instead of just their individual community.” “This teamwork is what has made us a leader in the industry,” continued Hoffmann.
